Subject: RIN 1210-AB33

I have just become aware of the hearings that were held on September 14 and 15 regarding lifetime income options for retirement plans and wanted to voice my complete opposition to any intrusion of the government into my retirement plans. Obviously, since I am the one that took the initiative to sacrifice and save my retirement funds I am the one in the best position to determine how to invest and manage my own money. Keep your greedy hands off.
